

for Tamiya 1/12 Kit - Essentials Set

Thank you for selecting our product to enhance your Formula One model.

We at Thunder Valley® F1 thoroughly research each product before it's development and use state-of-the-art computer-aided-design software to create and manufacture the most accurate and precise F1 model products ever.

Our workmanship and your satisfaction are unconditionally guaranteed.

If you have any problems or need any replacement parts, please contact us and we will provide immediate assistance.

We want you to be completely satisfied with your decision to select and use our products.

Sincerely,
